

**4th INTERNATIONAL BRUT EXPERIENCE
SPARKLING WINE CHALLENGE**

REGULATION

The International Brut Experience Sparkling Wine Challenge 2021 intends to evaluate world brut and extra-brut sparkling wines quality.

GOALS

Distinguish and publicize the best national and international sparkling wines.

Motivate the production of quality sparkling wines.

Contribute to the expansion of the sparkling wine culture.

Contest Regulation

Brut Experience 2021

29 of October 2021

Lisbon

PRODUCTS ADMITTED AND CATEGORIES

The competition is open to bottled brut and extra-brut sparkling wines produced through traditional (champagne method), charmat or ancestral methods, from all regions of the world (Sugar content expressed as glucose + fructose < 12 g/l, internal pressure at 20°C > 3,5 bar).

The competition will award sparkling wines distributed in the following categories:

Young

Less than 12 months on lees before dégorgement

Reserve

12 to 24 months on lees before dégorgement

Super Reserve

24 to 36 months on lees before dégorgement

Grand Reserve

More than 36 months on lees before dégorgement

Grand Reserve Extra

More than 48 months on lees before dégorgement

Special mention will be made to the first in each category, with the right to a certificate, and to the best sparkling wines from each country in competition (if the participation is relevant).

All sparkling in the competition should be **bottled**.

Each sparkling in the competition must have originated from a single batch, homogeneous at the time of bottling. The batch code will have to be sent to the organization at the time of application.

preservation. The confidentiality of data anonymity of the sample will be guaranteed.

If doubts or anomalies are detected in the labeling, documents or products, and disruption of registration conditions or differences are found, the organization reserves the right to cancel the award granted, notifying the interested parts and other competent entities.

Tasting Organization

The sparkling wines are blind tasted by categories.

The contest organization is obliged to preserve the characteristics of all sparkling wines enrolled, by proper logistic and control of storage, conservation and service conditions.

Tasting Panel Structure

The board of International Brut Experience Sparkling Wine Challenge will be constituted by:

- Journalists
- Sommeliers
- Oenologists
- Retailers

Each table will be constituted at least by:

- 1 president
- 4 jurors

The jurors are allowed to know the category of each sparkling wine and harvest year, if applicable.

All sparkling wines are tasted at least in series of 6 samples.

There will be 4 glasses at the table for taster.

Contest Regulation

Brut Experience 2021

29 of October 2021

Lisbon

At the beginning of each session, one sparkling wine of similar quality to those that will be tasted will be presented to the jury.

After, each sample will be presented first to the president of the jury, previously packaged in an opaque, seal-free package, containing only, and visibly, the code number identifying it.

The table president must make a prior test to verify that the sparkling wine in question is in conditions (without defects) to be evaluated by the jury.

Only after is indication can be served to the rest of the jurors.

The sheets with the ratings of all tasters will be collected at the end of each series, after validation of table presidents, and delivered by them to the technical director of the challenge.

The ratings of the table president will be accounted for de evaluation of the sample, with the same weight of the remaining.

The final score will result from the arithmetic average of the ratings of the tasters, excluding extremes (lowest and highest notes).

Lisbon

Prizes will be awarded to wines which reach the following scores:

Silver Medal

From 85 to 89,9 points

Gold Medal

From 90 to 94,9 points

Prestige Medal

From 95 points

Only up to **30% of the wines** in the competition are awarded.

If all of the awarded wines are placed in the same category, and that is the highest, there will be a selection in which 30% of the sparkling wines with the highest scores will be placed in the top category, the next 40% in the lower category and the remaining 30 % with lower scores will have silver medals.

MENTION OF MEDALS AWARDED

A diploma from the Organization of the International Competition of Sparkling Brut Experience will be attributed to the wines awarded with a medal.

There will be available, to interested parties, stickers of the medals, to be placed on the label or back label in the **minimum number of five hundred** units, to which may be added multiples of 500 units. The price of each unit being **0,09 €**, plus VAT at the legal rate.

If companies do not purchase the stickers provided by the competition organization, the reference to the awarded medals, which use the designation of the competition, or to integrate their logo in the bottles will only be possible with explicit authorization from the organization, and after payment, for the owner of the wine, of e **0,03 €/liter**, plus VAT at the legal rate in force, corresponding to the product of the number of liters declared.
